

## **1. Rules and Regulations.**

The following rules and regulations apply to all visitors to or users of this website. By accessing this website, the user acknowledges acceptance of these terms and conditions. Secure-Ops reserves the right to change these rules and regulations from time to time at its sole discretion. In the case of any violation of these rules and regulations, Secure-Ops reserves the right to seek all remedies available by law and in equity for such violations. These rules and regulations apply to all visits to the Secure-Ops website, both now and in the future.

## **2. Limited License.**

Secure-Ops hereby authorizes you to copy materials published by Secure-Ops on this website solely for non-commercial use within your organization in support of Secure-Ops services. No other use of the information is authorized. In consideration of this authorization, you agree that any copy of these materials that you make shall retain all copyright, and other proprietary notices in the same form and manner as on the original. Except as specified above, nothing contained herein shall be construed as conferring by implication or otherwise any license or right under any patent, trademark or copyright of Secure-Ops or any third party.

ALL CONTENTS ON THIS SITE ARE PROTECTED BY COPYRIGHT. EXCEPT AS SPECIFICALLY PERMITTED HEREIN, NO PORTION OF THE INFORMATION ON THIS WEBSITE MAY BE REPRODUCED IN ANY FORM, OR BY ANY MEANS, WITHOUT PRIOR WRITTEN PERMISSION FROM SECURE-OPS.

## **3. Trademarks.**

The trademarks, logos and service marks ("Marks") displayed on this website are the property of Secure-Ops or other third parties. Users are not permitted to use these Marks without the prior written consent of Secure-Ops or such third party, which may own the Mark. "Secure-Ops" is a registered trademark of Secure-Ops.

## **4. General Disclaimer.**

Although Secure-Ops has attempted to provide accurate information on the website, Secure-Ops assumes no responsibility for the accuracy of the information. Secure-Ops may change the programs or services mentioned at any time without notice. Mention of non-Secure-Ops products or services is for information purposes only and constitutes neither an endorsement nor a recommendation.

## **5. Cookies**

A cookie is a small data file that certain websites write to your hard drive when you visit them. A cookie file can contain information such as a user ID that the site uses to track the pages you've visited, but the only personal information a cookie can contain is information you supply yourself. A cookie can't read data off your hard disk or read cookie files created by other sites.

Some parts of Secure-Ops's website use cookies to track user traffic patterns. We do this in order to determine the usefulness of our website information to our users and to see how effective our navigational structure is in helping users reach that information.

Secure-Ops does not correlate this information with data about individual users, nor does it share this information or sell it to any third party.

If you prefer not to receive cookies while browsing our website, you can set your browser to warn you before accepting cookies and refuse the cookie when your browser alerts you to its presence. You can also refuse all cookies by turning them off in your browser. You do not need to have cookies turned on to use any area of our website.

## **6. Links to Third Party Sites.**

This website may contain links to third party sites. Access to any other Internet site linked to this website is at the user's own risk and Secure-Ops is not responsible for the accuracy or reliability of any information, data, opinions, advice or statements made on these sites. Secure-Ops provides these links merely as a convenience and the inclusion of such links does not imply an endorsement.
